

Hello. I am Mr. Bentley. I am currently the Dean of students, responsible for student discipline and coordinating attendance here at Hearst elementary school. I am currently assigned to room 201. I will tell you a little about myself.

I have been employed at CPS for more than 30 years. I am a distinguished graduate of Chicago State University. I have earned a Bachelor's and Master's degree from the College of Arts of Sciences in Criminal Justice with a strong concentration in Juvenile Delinquency, Juvenile Detention and Corrections, Adult Probation, Juvenile Courts, Law, and Community Policing. I also have a very broad understanding of how to engage and positively direct At-Risk Youth.

In addition, I try very hard to be as positive on a daily basis as possible. I also strive very hard to achieve positive results regarding the reduction of misconduct here at Hearst as I have demonstrated in previous schools. I enjoy working with the students and staff here at Hearst, and I know that we are going to have a wonderful, safe, and uneventful year.

Thank you,

Terry E. Bentley Sr.
