

Aside from teaching, some of my other favorite things to do are read and spend time with my family and friends. I recently became a runner and I also enjoy going to hot yoga classes, which help me unwind and relax from long days! I have 2 dogs, one named Max, and a newly adopted puppy named Kobe. Kobe has been quite the handful, and I'm considering starting a blog called "Things Kobe Ate Today"! So far, he's eaten shoes, paintbrushes, patio furniture, and window blinds! I also have 2 cats, one named Kitty and one named Ella. They are not big fans of Kobe! Lastly, and most importantly, I have an 18-year-old son named Andrew who just left for college this summer. He goes to Florida Gulf Coast University in Fort Myers, Florida. It's pretty quiet around the house now, but it's also cleaner! I miss him very much, and I'm looking forward to when things get back to normal so I can visit him in Florida on the weekends.

Now that you know a little bit more about me, I'm looking forward to getting to know more about you this year!
