

Hello! I am Ms. Cabrales and I will be your child's 3rd grade teacher. This will be my second year teaching at Hearst and I am very excited to meet all of your wonderful children. During the beginning of the school year, we will focus on how to set a positive environment for our classroom. In my classroom, students will keep hands to themselves and treat others with respect. We will also practice school routines/expectations and how to keep each other safe. Third grade will be such a fun year for everyone. Students are expected to begin writing independently, transition from picture books to chapter books, and be able to solve multi step problems. We will work on a lot of hands-on activities for science, and work on memorizing our multiplication facts. Attached will be our supply list for the school year. All of these materials are important to get so that your child can use these in the classroom. As mentioned before, we will be doing a lot of hands-on activities. Please make sure your child has scissors, and enough glue sticks for the year. I can't wait to meet all of you personally and have a great beginning of the year! Meanwhile, if you have any questions, do not hesitate to contact me at ggcabrales@cps.edu

Thank you!

Hola! Soy Ms. Cabrales y seré la maestra de tercer grado. Este año escolar será mi segundo año como maestra. Estoy muy emocionada en conocer a su hijo/a. Durante el comienzo del año escolar, me enfocaré en cómo hacer nuestro salón en una comunidad positiva. En mi salón, cada estudiante debe de seguir mis reglas básicas: Respetarse a sí mismo y a los demás, y mantener tus manos a ti mismos. Es importante que cada estudiante siga estas reglas para poder mantener un salón seguro. También practicaremos las rutinas y expectativas del salón y de la escuela. En tercer grado, los estudiantes practicarán en trabajar más independiente, trabajar en sus multiplicaciones, como escribir en párrafos, y muchas actividades en ciencia. Para poder tener un año exitoso, es importante que su hijo/a tenga sus materiales escolares. Por favor asegúrese que su hijo/a tenga suficiente lápices para el año escolar. También necesitarán tener tijeras y pegamento porque tendremos muchas actividades de cortar y pegar. Estoy muy emocionada en conocer a su hijo/a este año escolar y crear felices memorias! Cualquier pregunta no dude en contactarme en mi correo electrónico:
