

Vision:

As the Middle School team at Phoebe Apperson Hearst Elementary School, it is our mission to provide each student with a safe space to develop independence, find, and use his or her voice in these unique times. We pledge to provide an equitable learning community for each student, where they feel supported and inspired by each of their teachers, not only in their education but also in their life's journey.

Welcome:

Welcome families and students! My name is Mr. Arturo Almazan. I am excited to begin the 2023 – 2024 year with everyone. I will be your child's ELA teacher throughout the school year. This will be my third year teaching at Phoebe Apperson Hearst Elementary School in CPS. I also have taught in the Charter Schools of Chicago for 6 years as an ELA and Social Science teacher and Cicero District 99 for 2 years as an ELA teacher. I was born and raised in the Southwest side of Chicago. I currently live near Hearst, so I am very familiar with the Hearst Community. We will make the best of this year and come out stronger than ever before. We will explore new learning tools and engage in new exciting ways to learn. I will be here to help in any way I can and accompany this very new learning path with you. As part of the Hearst community, I am dedicated to supporting families and students with their various needs and make this school year a successful one. I am excited to work with all of you throughout the year and celebrate the many successes we have!
