

Teresa Chrobak-Prince, Principal

June Update

June 2, 2022

Dear Hearst Families,

I cannot believe we are in the last weeks of school! I've been amazed at how our students have grown this year. In a time when we did not know what the school year would hold, our with the Warriors, with the help of their teachers, made it work. Teachers built classrooms that provide opportunities for students to grow socially and academically. But, of course, the year is not over, and we have a lot to look forward to in the coming weeks as our students prepare for a variety of end of year special events, such as a field trip, performances, and field day, to name a few.

The goal is to end the school year on a high note, both academically and socially. For a successful end of the school year, don't hesitate to reach out to our staff for support!

Wishing all of our Hearst families a safe and restful summer! Continue to check our website for information and updates. hearst.cps.edu. I look forward to seeing you on August 22, at 8:45am. (1st day of School!) and hearing about the great times you had!

Mrs. Chrobak

Please see below for exciting news, updates, and information...

2022-2023 School Year Planning

We are planning for next school year 22-23 and need your help. If you are moving this summer or have plans to leave Hearst, please let us know by filling out [this form](#) as soon as possible. We will ensure that your child will have a healthy transition as well as for you to have the proper transfer paperwork to assist with enrollment at your child's new school. If you have any questions, please do not hesitate to contact Ms. Pentz for assistance.

[2022-23 Kindergarten - Eighth Grade Registration](#)

Registration for the 2022-23 school year is now open. New students and families register in person by appointment only. We will continue to register students through June 17th.

Please visit our [website](#) to start your registration process. You will be contacted by office staff to set up an appointment for in person registration.

[Health Requirements](#)

Our fifth graders need to have their immunization and health examination up to date by May 31, 2022. Please make sure to make required appointments so that they start sixth grade with all records on file and up to date.
