

# HEARST Parent/Guardian Remote Learning Expectations and Guarantees

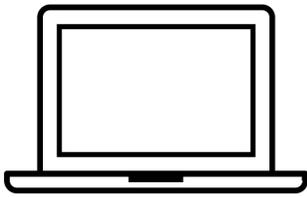

## Our Priorities:

1. We have to and will place the developmental and social-emotional needs of our children first.
2. You will be our co-teachers this year, and we will partner with you every step of the way using clear, consistent communication.
3. We are working very intentionally as a staff to identify and focus on the most critical learning standards that our students need to continue to excel.
4. Our programming will be designed to build independence in our students through strong routines and strong partnership with families.

### Participation

*It's important that your child participate in Meets as much as possible. Attendance will be taken every day by 10am according to district guidelines. Please make sure your student's Chromebook is charged. For tech support, please email Ms. Erickson ([dedantonio@cps.edu](mailto:dedantonio@cps.edu)) or contact the CPS Parent Hotline (773-417-1060).*

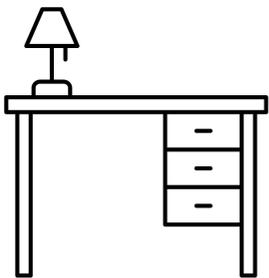

### Routines

*Routines are important now more than ever. Your child's instruction won't change day to day to help you develop a schedule that works for you at home. We want students to be comfortable and confident online. They are free to wear whatever clothes they learn best in, as long as they are following the Hearst "Best" School dress (No Uniforms during RL).*

### Learning Space

*Help your student identify a space where they can work effectively. We recommend having a hard space (e.g., desk, table, lap desk) to work on rather than typing on their lap or on a pillow. If possible, the space should be quiet and have minimal distractions.*

### Learning Breaks

*Our teachers will be building learning breaks into their schedules. Please encourage your students to use the washroom before their synchronous Meets as to not miss the sessions. They can have drinks with them and finish up a snack during lessons. If your family is in need of food, please reach out to an administrator. We can help.*

### Social-Emotional Learning (SEL)

*We know how difficult this time is for our students and you are their new co-teachers. We are emphasizing SEL in our planning through activities like morning meeting. If your student is feeling sad or down, we want to help. Please speak to your student's teacher or our school counselor, Ms. Pentz ([smewalt@cps.edu](mailto:smewalt@cps.edu)).*
